## INDEPENDENT FUNCTIONS

-  1. The power headrest lifts your head, neck and shoulders for maximum support.
-  2. The upward lift offers convenient stand assist for getting in and out of the recliner.
-  3. The power lumbar enables you to personalize your comfort.
-  4. The footrest extension allows you to relax and stretch out completely.
-  5. The backrest moves up and down independently to help you find the perfect position.
-  6. True Infinite position recline enables the backrest and footrest to move independently from one another so that a variety of positions can be reached.

## STANDARD FEATURES

7. The USB remote adjusts all functions independently and allows you to charge your smart device.
8. Lithium battery backup ensures your recliner is operational when the power goes out.
